Dear Friends,

On behalf of all of us at People For the American Way Foundation, who fight for and cherish the freedoms given to us in the U. S. Constitution, I want to thank you for all of the incredible work you did to help make our sixteenth annual "Spirit of Liberty" Awards dinner such a rousing success.

Being able to honor the wonderful History Channel and Nick Davatzes was a joy for us. Having The Declaration of Independence there at our event was an honor for us. Having you be a part of sharing all of this with us was a pleasure.

Your music was perfect for our event.

Once again, I thank you for all of the time and efforts you gave us for this very special evening. This celebration is so important to our organization every year and, of course, the funds we raise help us to continue the important work that we do. We are extremely grateful for your talent and expertise, and for being a supporter of our causes.

Best Wishes,
