Hi Vinson,

I have to apologize on the time I finally got around to thank you all for a beautiful job at our wedding. The sound was PERFECT. We had a chance to see our video and all of you were just incredible. We also had a chance to speak with several guests that had such wonderful comments about all of you. It was an absolute pleasure to have you play at our wedding. Thank you for the constant and prompt communication also to mention professionalism. You were the only vendor we dealt with that didn't cause us stress.

Between our wedding date and now we got a dog and bought a house so again sorry for the delay.

Sorry about the bugs.

Job well done!  
Shelbie & David Bill
