Dear Lee:

I wanted to thank you for the sensational music that you have provided for Birdland this year. The guitar and bass duo with which you performed was a valuable addition to our busy happy hour time slot. In addition to the duo being well received, the professionalism that you and bassist David Miller display has been greatly appreciated. Whether it is a performance for a small group of people at the bar or entertainment for an outing of 150, your music is always appropriate for the situation. People have come up to me every performance and said how wonderful you were.

Thank you again, and I look forward to working with you in the New Year.

Sincerely Yours,

Kirsten Ashley  
General Manager
