Subject: Thank you!

Dear Vinson Valega and those who played during our 11/2/2002 wedding in New York:

I would like to write you a quick note to thank you for the amazing music you played during our wedding in New York. My husband and I were so happy to hear you play, and the music was absolutely perfect. It was very kind of you to play the song "Joanie" for me and to provide me with the written music. That was very nice of you to go out of your way. I would also like to mention again, how much we appreciated your professionalism and organization. I can't stress enough how easy it was to work with you compared to others. It seemed like all I did was book you and that was it. You took it from there and did everything else. I did not have to lift a finger. For a bride, this made me SO happy and feel at ease that at least one thing would go "right" for sure on the big day.

Our sincere thanks again,

Joanie and Jim
