Dear Mr. Valega:

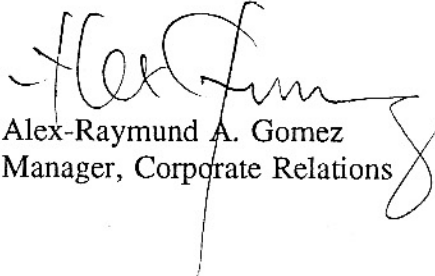

As the year comes to a close I just wanted to take this opportunity to thank you and your musicians for your musical contributions during our various parties and events at the **Guggenheim Museum** in 1996.

Since your first performance during our *Evening to Thank Our Corporate Supporters* in our Frank Lloyd Wright-designed rotunda in our uptown Museum, we continue to be impressed by your talents as you provide music for our various parties. Your professionalism and talent has allowed us to recommend **JUST JAZZ** to other event planners of private corporations who hold functions in our uptown and SoHo museums. We are truly confident in your talents and are impressed, though not surprised, at how you continue to satisfy those who we recommend **JUST JAZZ** to.

The Museum secures the services are numerous musicians for various private and public programs, parties and events throughout the year. I have to admit that we find working with **JUST JAZZ** a true delight and pleasure. I do not doubt that we will continue to secure your services, as well as recommend you, for more events at the **Guggenheim Museum** in the next year.

Thank you once again for continuing to provide a cheerful, relaxing and melodic environment to our events and parties, which compliments the art and atmosphere of the **Guggenheim Museum**.

Warm regards,

  
Alex-Raymund A. Gomez
