Dear Vinson,

Ahmad and I wanted to thank you for playing at our wedding and reception at the Top of the Tower on April 7<sup>th</sup>. I can't tell you how many compliments we received, not only from the guests but also from the hotel and restaurant staff. You were all a bit hit

I also wanted to thank you for your professionalism during the planning process. We pulled our wedding together in a very short timeframe, and from out-of-state. Your web site was a big help for us in selecting our music, and you confidently handled all my questions. The whole planning process was stress-free for me – the way it should be. And during the event, everything went so smoothly and was so much fun. You helped to make our wedding perfect for us!

We have already recommended you to many of our friends and family. Thank you again, and good luck in your future endeavors.

Best Regards,

  
Dr. and Mrs. Ahmad Namini
